

25 YEAR RE-REVIEW

10-1794

MAR 1961

STAT

I should like to convey my personal gratitude and that of the Washington community for your splendid and unselfish contribution toward the solution of a problem 

STAT

Assessment of the report prepared last November by you and your associates has just been completed. The significance and impact of the report have already been considerable.

Perhaps at some future time I shall have the opportunity of meeting with you and again expressing my appreciation.

Sincerely,
